### **New Roof Completed**

The new roof on the clubhouse has been completed and it looks terrific. For those of you who have not stopped by lately, the clubhouse is now sporting a forest green metal roof, fitted with snow blocks over the main entrance to prevent the occasional minor “avalanche” that can occur during snow season. Guess we won’t have to worry about that for a while now.

The cost of the project was set aside from the funds that were gained when the lead remediation project was completed during the summer of 2010. The club board would like to extend their thanks to all of our members for their patience while that project was underway.

### **Sign Up For Online Newsletter**

The online newsletter continues to be a success. While the printed copy will still be delivered quarterly, it will only contain highlights of information. If you would like to receive the newsletter via your email, please fill out your name and E-mail address on the Newsletter page on the website. Our subscriptions continue to increase and we thank you for your interest.

### **Quad County Chain Shoots**

This year, Portage Rod and Gun Club will be participating in the Quad County Chain Shoots that run from October through April of 2012.

Each month, a different club will sponsor the shoot. For this season, the shoots will be sponsored by the clubs in Sauk, North Bristol, Beaver Dam, Deerfield, Stoughton, Jefferson, as well as home shoots at the Portage facility.

You can shoot all 10 shoots at one club, or travel to other clubs. We highly recommend traveling to other clubs - it will give you the

chance to meet other people who are interested in the sport. Check out the Events page on the web for dates and details of each shoot.

### **Registered Shoots**

Portage Rod and Gun Club has published two registered shoot dates in May and September, respectively. Additionally, the Winter Jackpot shoot and fish fry date has been published as well. Please visit the website for dates and details

### **Clean up Day May 14th**

Mark your calendars for May 14<sup>th</sup> Clean up Day at the Gun Club. Volunteers are needed to help out in the clean up. Things will be handled much the same as last year, so please contact Tony Schumacher if you want to volunteer. Tony can be reached at 608-742-6386.

**From the Webmaster...**

**Hello Friends,**

Well, it looks as if 2011 will be a very eventful year at the club, with lots of new things going on.

The Quad City shoots will offer a chance to meet new people and share the sport. Participants will have the option to travel to the sponsoring clubs or shoot all 10 events at Portage.

The new roof looks great, and plans are already underway to get a roof over the rifle station, as well. In addition, we're also working on a solution for putting up rifle targets that should prove to be much better than the current situation.
